Keynote Speaker

RON FEINGOLD

THE POWER OF THE SMILE

Ron Feingold has created something truly unique and wonderful in the world of comedy and music. Fusing stand-up comedy and a cappella music together may sound impossible...

But Ron Feingold has done it!

Introducing Ron Feingold's "Comedy A Cappella!" A blend of traditional stand-up comedy with ear-pleasing a cappella music all sung by one person. What makes this show special is the fact that Ron sings ALL of his own vocals! He sings the bass, tenor, alto, soprano and lead vocals in these funny, up-tempo songs and parodies. In addition, Ron created a Presentation entitled The Power of the Smile that explores how Smiling affects every aspect of your life by writing custom material and songs for his corporate clients as he is also a master at establishing instant rapport with his audiences.

This "one man vocal band" has traveled thousands of miles and crossed countless stages since it all started back in January 1990! Ron has performed in 46 of the fifty states, is a regular performer in the cruise and corporate industry and has opened for bands like The Beach Boys, REO Speedwagon, Grand Funk Railroad, BJ Thomas and Grammy winning Jazz vocalist Diana Krall.
